

2022 Annual Meeting

54th APRES Annual Meeting

July 12-14, 2022

Omni Las Colinas Hotel

Dallas, TX

2022 APRES Attendees,

Mark your calendar and join us for the **54th Annual Meeting**. The APRES Annual Meeting shares original research, extension, and industry peanut project results in a 3-day meeting via business and social settings. World and industry leaders speak on the most pressing issues of our time. Committees, workshops, training sessions and shared down time provide opportunities for attendees to brainstorm, strategize, educate, learn and build relationships.

This year's program will focus on ***Managing Risk and Promoting Sustainability in the Complex World of Peanuts***. Planning is underway and the most up-to-date details on what to expect at the **July 12-14, 2022** APRES Annual Meeting can be found [here](#).

The **\$250 "early bird" member registration** rate, which includes *free registration for your family*, is the best in the industry. APRES' commitment to growing the industry extends to the *graduate student community thru reduced fee registration and specialized activities*.

We are looking forward to meeting live and in person at the **Omni Las Colinas Hotel in Dallas, Texas**. (Third time's the charm...) The lakefront property is the perfect location for APRES—spacious meeting rooms; outdoor spaces for socials; a lakeside running path for the Fun Run; nearby restaurants; super convenient to both DFW and Love Field (DAL) airport; and convenient to DART transportation to explore the city of Dallas.

See you **July 12-14, 2022 in Dallas, Texas!**

David Jordan	and	Mark Burow
APRES President		2022 Annual Meeting Program Chair

Managing Risk and Promoting Sustainability in the Complex World of Peanuts

Managing Risk and Promoting Sustainability in a Complex World of Peanuts is APRES 54's theme. The last two years has provided plenty of information on risk to ourselves. APRES 54 will examine risk factors facing the peanut industry and explore sustainable solutions. The dual General Session and Symposium program is under development. Contact the Program Committee with your Speaker suggestions and Topic ideas.

54th ANNUAL MEETING FORMAT

The 2022 APRES Annual Meeting will return to its traditional live and in-person format, with added features learned from two years of virtual meetings. *The following schedule is subject to changed based on the number of abstracts received:*

Photographic Images & Recordings Consent

Sessions of the 54th APRES Annual Meeting will be recorded and/or live-streamed using Facebook and/or Zoom technology. Zoom recordings also include video screen shots, audio, chat sessions, and poll data. Recording begins 30 minutes prior to the beginning of each meeting and stops recording at the conclusion of the meeting. We are advising you of our protocols to ensure that you understand when you register to attend or make a presentation at the 54th APRES Annual Meeting you are agreeing to be recorded. All 2022 APRES Annual Meeting recordings (Facebook, Zoom & Narrated PowerPoint Posters) will be posted to the APRES YouTube channel, immediately following the meeting and will be available to APRES members only until January 1st. After January 1st, all sessions will be made public (unless the speaker or author) requests their presentation to be withdrawn due to privacy or publication restrictions. As always, APRES strives to protect the privacy of all and will work to find a solution for those who may have concerns. *The legal language for the above information follows:* APRES meetings and events constitutes an agreement by the registrant for APRES to use and distribute the registrant's or attendee's image, likeness, public text comments, and voice recorded in any format at the event without payment or any other consideration to APRES. Photographic, audio or video recordings may be used by APRES for educational/informational presentations and promotional materials for APRES in any format. This includes screen captures, session recordings, and public text comments. APRES agrees not to sell, transfer, or otherwise authorize, the rights of the registrant's image or likeness to any other entity.
