The **2020 Virtual Annual Meeting** will be a combination of **four (4) live webinars and pre-recorded online sessions** of the almost full agenda of its live predecessor.

*The **Production, Challenges, & Strategies** themed General Session and Symposium on **Aflatoxin and Drought Tolerance** live webinars are scheduled for **July 14**.*

*The **Joe Sugg Graduate Student Competition and Graduate Student Seminar** live webinars will be held **July 15 & 16**.*

*All other scientific presentations—research & education **breakout sessions and posters**— will be **pre-recorded**, hosted on the APRES YouTube channel, and **available for viewing at your leisure on July 14th**. Year-end awards will be announced July 16th and a recognition ceremony will be held at the 2021 Annual Meeting.*

*A **paid 2020 Registration and active 2020-21 APRES Membership** is **required** to attend the live webinars and access the online content—a total investment of \$150 for Individuals; \$75 for Students, Post Docs, Retired.*

*We are **exciting** about this new format and look forward to*

seeing you at the 2020 APRES Virtual Annual Meeting, July 14-16!
