

# Journal Articles – Winter 2021

Shandong Academy Agricultural Machinery Sciences Submits Patent Application for Ridging Spade for Cultivating and Preparing Combine Seeder of Peanut and Production Method. (2021, 01/25/)

Findings from Naresuan University Has Provided New Information about Biotechnology (Production and antimicrobial activity of trans-resveratrol, trans-arachidin-1 and trans-arachidin-3 from elicited peanut hairy root cultures in shake flasks ...). (2021), 692.
