

2020 COYT T. WILSON DISTINGUISHED SERVICE AWARD

Report

The Coyt T. Wilson Distinguished Service Award is given to APRES members who have contributed two or more years of distinguished service to the Society. The award was established in honor of Dr. Coyt T. Wilson who provided leadership in the formative years of the Society. His contributions helped make possible the early and current success of the Society.

All business for this Committee was conducted electronically. Two nominations were received and reviewed by all Committee members. The Committee's votes have been received. Both candidates were undoubtedly highly deserving.

There was a unanimous consensus to advance **Dr. Kelly Chamberlin, USDA-ARS** for recognition of the **2020 Coyt T. Wilson Distinguished Service Award**.

Respectfully submitted,
Dan Anco, Chairman
