The Coyt T. Wilson Distinguished Service Award is given to APRES members who have contributed two or more years of distinguished service to the Society. The award was established in honor of Dr. Coyt T. Wilson who provided leadership in the formative years of the Society. His contributions helped make possible the early and current success of the Society.

All business for this committee was conducted electronically. Two highly deserving candidates were submitted for consideration and were evaluated by the committee. The committee recommended to advance Dr. Robert C. Kemeraite, Jr. for recognition of the 2021 Coyt T. Wilson Distinguished Service Award.
